DR. KUMARPAL PORWAL

Enterprise Strategy • AI Transformation • Deep-Tech Commercialization • Energy Transition

Belgaum, Karnataka, India (Open to Remote & Global Relocation) | +91 73533 19757

founder.heatbolt@gmail.com | linkedin.com/in/kumarpal-porwal

🎯 **TARGET EXECUTIVE ROLES:** Chief Executive Officer (CEO) • Managing Director (MD) • Chief of Staff • Head of Strategy • VP Operations / COO • AI Transformation Leader • Corporate Development • Venture Partner

EXECUTIVE PROFILE & VALUE PROPOSITION

Distinguished Strategy and Transformation Leader with **10+ years of high-impact leadership** spanning enterprise strategy, autonomous AI orchestration, deep-tech commercialization, regulated aerospace engineering, and mission-critical supply chains. Proven founder-operator with a documented track record of converting breakthrough technical R&D into multi-million dollar commercial pipelines, strategic institutional partnerships, resilient supply chains, and board-level operational excellence. Trusted advisor to CEOs, Board Chairs, and institutional conglomerates across regulated aviation, defense, FMCG, and energy sectors.

HIGH-IMPACT COMPETENCIES & STRATEGIC DOMAINS

C-Suite & Executive Leadership: CEO/MD Mandates • Corporate Strategy • Board Governance • Market Entry & Expansion • Cross-Functional Alignment • OKRs

Operations & Manufacturing Excellence: Lean Manufacturing • Advanced Defense Aerostructures • Statutory Compliance & Certifications • Strategic Procurement (-15% Cost)

Enterprise AI & Autonomous Systems: Multi-Agent AI Orchestration • Workflow Automation (+40% Efficiency) • LLM Systems • Tech Roadmap Execution • IP Monetization

Clean Energy & Climate Tech: Green Hydrogen Electrolysis (IISc Bangalore Research) • Thermal Platform Engineering • Industrial Decarbonization • Circular Economy

PROFESSIONAL EXPERIENCE & LEADERSHIP TRACK RECORD

Chief of Staff & AI Strategist — Vega Aviation

Jan 2024 – Present | Regulated Aerospace

Aviation Engineering, Defense Aerostructures & Regulated Advanced Manufacturing

- **Enterprise AI Transformation:** Architected and deployed distributed multi-agent autonomous AI systems across a 50+ person engineering division, generating an immediate **40% operational efficiency surge**.
- **Accelerated Regulatory Certification:** Synchronized cross-functional engineering, compliance, legal, and commercial workstreams, securing statutory aviation certifications **3 months ahead of schedule**.
- **Global Expansion & Defense Pathways:** Co-directed executive strategy with the CEO to establish high-barrier market entry pathways across Tier-1 North American and European defense/aerospace supply ecosystems.

Founder & Managing Director — HeatBolt / Parshwa Power

Aug 2020 – Present | Belgaum & Global Supply Chain

Advanced Portable Thermal Systems, Energy Resilience & Clean Tech Platforms

- **Breakthrough Deep-Tech Commercialization:** Conceptualized, patented, and commercialized a revolutionary water-activated flameless thermal platform delivering instant heat without electricity, gas, or open flame.
- **Conglomerate & Defense Partnerships:** Spearheaded institutional pilot evaluations across Indian Defense Forces, global logistics providers, FMCG market leaders (**Amul / GCMMF, Bikaji Foods, Haldiram Group**), and international airlines (**Emirates Flight Catering**).
- **Supply Chain Optimization:** Established sovereign supply chain networks across the USA, Germany, and UAE, delivering an immediate **15% reduction in baseline procurement costs** while maintaining strict ISO compliance.

Founder & Research Director — Parshwa Power

Aug 2020 – Present | Belgaum, Karnataka, India

Green Hydrogen Systems, Cost-Effective Electrolysis & Clean Energy Transition

- Steered fundamental technology concept, rapid prototyping, and economic modeling for cost-effective localized green hydrogen production, engaging academic research bodies including **Indian Institute of Science (IISc, Bangalore)**.
- Modeled techno-economic feasibility studies for decentralized industrial power applications and industrial decarbonization.

Strategic Advisor & Enterprise Ecosystem Builder — Manikchand Group • Vega Helmets • ONDC Ecosystem Nov 2020 – Dec 2022 | Pune / Belgaum / India

- **Corporate Innovation & Smart Mobility:** Formulated future-product R&D roadmaps for Vega Helmets, designing intelligent IoT-integrated automated smart helmet concepts.
- **Industrial Water Engineering:** Delivered comprehensive technical engineering solutions for seawater desalination/purification for Manikchand Group during an intensive 5-month turnaround mandate.
- **Venture Incubation:** Mentored 10+ early-stage deep-tech ventures on capital architecture, GTM strategy, and institutional venture capital introductions.

Principal Strategy Consultant & Operator — Corporate Advisory / Cross-Sector Ventures 2012 – Present | India & International

- Advised high-growth tech enterprises, industrial manufacturers, and digital initiatives spanning market entry, digital transformation, electrical automation, and venture expansion.

EDUCATION, RESEARCH & PRESTIGIOUS HONORS

Bachelor of Engineering (B.E.), Computer Science & Engineering — Gogte Institute of Technology (GIT), Belgaum (2014)

Advanced Green Hydrogen Research Exposure — Indian Institute of Science (IISc), Bangalore (Nov 2022)

🏆 **Honors & Recognition:** TiE Innovation & Excellence Recognition • JITO Apex Startup Award • Google Student Ambassador (Runner-Up) • Best Engineering & Startup Accolades • District Cricket Champion • Merit Scholarships in Mathematics & Applied Sciences.

EXECUTIVE ENDORSEMENT & INDUSTRY VALIDATION

High-Stakes Strategic Interactions • National Enterprise Traction • Industrial Leadership Verification

Executive Endorsement Dossier: Dr. Kumarpal Porwal has engaged directly with India's highest-tier business leaders, industrial icons (including Mr. Ratan Tata), conglomerate executives, and institutional food/energy giants. Photographic and formal procurement correspondence confirms active strategic interest, pilot requests, and institutional collaboration from leaders including **Amul (GCMMF), Bikaji Foods, Emirates Flight Catering, Haldiram Group, and Reliance ecosystem networks**.
